Aloha,

In light of the recently announced National shelter-at-home rule I have extended the pause in all of my operations. I am reevaluating this pause on a daily basis and will post any updates here. Until then my phone lines remain available to take future reservations and answer questions Monday through Thursday 9:00 am through 4:00 pm.

This pause in our industry is necessary in order to keep our guests, and our communities, as safe as possible from this unseen deadly enemy. I sincerely appreciate everyone's warm wishes during this difficult and strange time.

Hawai'i in all her stunning natural beauty will remain the same for your return. Thundering waterfalls, iconic vistas, historic villages and towns, active volcanoes, and glorious National Parks and Historic Sites will still be here, all served up with generous helpings of ALOHA by my team.

We look forward to seeing you again, but until then stay home and stay safe.

Mahalo,
