

EDUCATION INTERNSHIP

Internship opportunities, year-round

The Education Intern assists staff with programming; providing a guest experience of the highest quality.

Duties:

Assist in all applicable aspects of the guest experience, working closely with education staff

Including:

- Assist in interpretive coverage of public spaces throughout the Aquarium
- Assist with setup, delivery, and break down of programs
- Assist with offsite programs including fairs, festivals, and outreach as needed
- Ensure all public spaces are clean and presentable
- Answer phones as needed
- Always provide friendly and helpful customer service

Benefits:

- Gain experience in informal science education program development and delivery
- Learn about the aquarium and our ambassador animals
- Develop public speaking skills
- Develop experience for your resume

Qualifications for internship:

- Minimum of a college junior in a Biological or Environmental Science related field- recent graduate preferred
- Enjoy working with the public, with an emphasis on customer service- customer service experience preferred
- Capacity to learn complex tasks quickly; attention to detail; strong problem solving abilities
- Ability to work independently and in a group
- Ability to relate to the public in a cheerful positive manner- strong communication skills preferred
- Must be able to pass a background check if needed
- Must be able to lift 50 lbs. Please inquire about reasonable accommodation
- Must be available to work at least 2 days per week
- Must be able to complete a minimum of 200 hours over a timeframe of at least 13 weeks

If you find at this time that you cannot make a commitment to the internship program, you are encouraged to visit our website for alternate volunteer opportunities.
