

**Activity: Turtle Life Cycle!**

In this activity you will go through the life cycle of a turtle. Label each step and check your answers above.

1. \_\_\_\_\_
2. \_\_\_\_\_
3. \_\_\_\_\_
4. \_\_\_\_\_

**Discussion Questions:**

1. Why are Maggie and Mortisha used at the Aquarium as ambassador animals for their species?
2. Why do you think the turtles have yellow stripes on their heads or on their shells?
3. Think about what you have learned from past at home activities, why is it important to not release pets into the natural environment?
