

JOB POSTING

Job Title: Facilities Technician

Status: Full Time

Number of Positions: 1

Classification: Non-Exempt

Reports to: Director of Facilities and Construction

Posting Deadline: May 15, 2021

Description

The primary objective and responsibility of the Facilities Technician 1 is to perform and assist with building maintenance, related mechanical functions, and building cleaning. The Facilities Technician I will also be responsible for the oversight of building security and hazard management.

Essential Responsibilities

- Support the Supervisor of Facilities and Director of Facilities in their operational roles, keeping them informed on internal conditions and external developments that impact the functioning of the Facilities Department.
- Inform the Supervisor of Facilities of activities, issues, work order needs, needs within the department, and provide accurate and timely information to enable responsible and informed decision-making.
- Further the consistent achievement of the mission and financial objectives of the Aquarium of Niagara.
- Cultivate and nurture relationships with suppliers, vendors, contractors, and service providers, as well as professional colleagues at like institutions, which will strengthen and benefit the organization and facility.
- Always strive to build and maintain a cooperative attitude and working relationship with other departments.
- Exhibiting common sense decision making, critical skills and problem-solving skills.
- Complete work orders to a satisfactory level and in a timely manner.
- Help maintain a clean and organized workspace.

Requested Requirements

- Previous maintenance or building grounds experience
- Ability to work independently with minimal supervision, as well as function on a team
- Have positive attitude
- Possess working knowledge of plumbing, electrical and HVAC systems; trades school certifications preferred
- Possess strong mechanical skills in building trades, including plumbing, electrical, HVAC systems, carpentry, and basic vehicle and equipment maintenance and repair.
- Proficient in Microsoft Office
- Possess excellent written and verbal communication skills and demonstrate ability to effectively communicate information
- Function well independently and in a team environment
- Able to comfortably lift and carry fifty (50) lbs.
- Be able to sit/stand for long periods of time
- Be able to stoop, bend, and climb ladders
- Ability to tolerate outside work in all seasons and weather conditions
- Be annually certified and fit-tested for respirator wear and use
- Possess a valid NYS driver's license and maintain a clean driving record
- Be a self-starter
- Must be able to lift and carry fifty (50) pounds, work on un-even and slippery surfaces, withstand temperatures of hot and cold, and sit/stand for long periods of time when necessary

- Possess basic knowledge of cleaning procedures, and be able to follow basic safety practices and procedures
