

EUROCOPTER AS350 SQUIRREL

HELICOPTER CHARTER

Lake Macquarie
Helicopters
Pty. Ltd T/A

Slattery
Helicopter Charter

The AS350 Squirrel offers superb cabin comfort for up to five adults with a separate baggage area for medium sized luggage. It is a sleek and fast aircraft for luxury transfers and charters, and also offers incredible stability for aerial film and photography work. In addition, it is industry renowned as the power-horse for all types of sling lifting work whilst being lightweight and maneuverable to handle. This aircraft is truly an all rounder. Due to the nature of the work suited to these aircraft they operate Australia wide.
