Date: September 20, 2018
Subject: **HILO VOLCANO TOUR AND HAWAII GRAND CIRCLE ISLAND TOUR –
NEW ITINERARIES EFFECTIVE SATURDAY, SEPTEMBER 22, 2018**

Aloha!

Hawaii Volcanoes National Park will reopen a portion of the park to the public on **Saturday, September 22, 2018**. We are pleased to announce, in conjunction with the reopening, Roberts Hawaii has updated the optional tour itineraries to once again include Hawaii Volcanoes National Park.

Please be advised the National Park Service has issued the following restrictions / limitations regarding access to the park:

- Vehicle Weight Restrictions – No Motor Coaches will be permitted to enter the park.
- Limited Bathroom Facilities – Kilauea Visitor Center has the only flushable bathroom.
- No Drinking Water is available in the park.
- Expect long lines.

The following tour routing reflects the restrictions and notes the limitations. Please advise your guests our drivers will attempt to stop at all designated stops shown below (indicated by *), however, all stops will be based on time permitting. Should there be long lines at the park, the itinerary may need to be adjusted as we go or operated in reverse order.
