If a participant will not have a parent present at the party please have the parent signed the waiver that was emailed to you. Please have them print and sign and bring the day of the party. If the participant will have a parent present at the party please have your guest read through the waiver and sign off our the spreadsheet you were given by the party coordinator. We have done this in hopes of saving trees. As the party host you will be responsible to make sure every participant has a waiver signed.

Outside Vendors:

Outside vendors are welcome. Bounce houses are allowed as long as they are not plugged into our electricity. Water bouncers are not allowed. Please see set up policy, as you will have to arrange for set up and take down of your items brought in by outside vendors.
