Maritime & Seafood Industry Museum

Walk through an extraordinary collection of priceless photographs and artifacts only available at the Maritime & Seafood Industry Museum and listen to your guide tell stories from the time of the first Indian residents to the coast's growth as a world renowned seafood processing center. You will see an array of exhibits on shrimping, oystering, recreational fishing, wetlands, marine blacksmithing, wooden boat building, netmaking, and more. Videos on Hurricanes Camille and Katrina, world renowned artist Joe Moran, shrimp peeling machine inventor J.M. Lapeyre, and the sailing sloop Nydia are available during the tour.

\$10 pp + 2 FREE (20 people min.)
