

It's Your Time. Use It Wisely.

Take back your most valuable asset...time. Hop on the i2 SE Personal Transporter (PT), increase productivity, save energy and have some fun.

The i2 SE's impressive speed, range and maneuverability will transform your travels. Moving throughout the warehouse floor will feel less like work and more like play. Commuting to work or class? The i2 SE zips you from where you are to where you want to be — no sweat!

Empower yourself to travel indoors, outside or just about anywhere. The compact design, zero turn radius and zero emissions will have you wondering how you ever managed without a PT.

Features

Wide Platform	<i>The wide base platform is optimized for rider comfort</i>
LeanSteer™	<i>Quick removal allows for easy storage and transport in almost any vehicle</i>
Gliding Lights	<i>Ensure your PT can be readily seen in low light conditions</i>

i2 SE

SEGWAY i2 SE PERSONAL TRANSPORTER

If You Can Walk, You Can Glide

The i2 SE is the ideal compromise between walking and driving, giving you more time to work, play, get things done or just enjoy yourself. Get to where you need or want to be by leveraging the i2 SE's sleek design, speed, range and maneuverability. It's personal efficiency redefined.

- Move up to 12.5 mph. Travel 3x faster and cover 9x more area than walking with the i2 SE.
- Go from indoors to outside without ever stepping off your i2 SE – Easily get to where you need or want to be.
- Your work day is more productive, your off day is more fun.
