

COVID Health & Safety Guidelines

At Sidewalk Food Tours, the health of our guests and employees is our top priority, and we have put special measures in place to provide the safest and most enjoyable experience for all. We are going above and beyond National and Local guidelines laid out for the Tourism and Restaurant Industries. Furthermore, we have ensured that all of our restaurant partners are going above and beyond National and Local guidelines laid out for their own business. As guidelines change, Sidewalk Food Tours will continue to adapt and put health & safety first and foremost.

Wellness Checks

- **Employees are constantly monitoring their own health and wellness.** No employee experiencing or displaying symptoms will lead a tour under any circumstances.
- **Guests who are experiencing or displaying symptoms are not allowed to join the tour.** Sidewalk Food Tours will work with you to reschedule your tour experience for when you are symptom free.
- **COVID-19 Symptoms include:** Fever or chills, Cough, Shortness of breath or difficulty breathing, Fatigue, Muscle or body aches, Headache, New loss of taste or smell, Sore throat, Congestion or runny nose, Nausea or vomiting, Diarrhea

Social Distancing

- Throughout the course of the tour, guides and guests will maintain a **6 ft distance** as much as possible.
- **Group Sizes** of our tours will be limited to 9 or fewer people and will only increase when National and Local health guidelines allow.
- In conjunction with our restaurant partners, **individual servings of food tastings** will be made available and will be made a priority whenever possible.
- **Food Tastings** will be conducted in more open, **less crowded areas** in order to further maximize the ability to social distance.

- Throughout the entirety of the tour experience, our guides will choose **low traffic, low impact** areas to share stories.

PPE [Personal Protective Equipment]

- **Proper face coverings are required for all employees and guests** during the extent of the tour experience. Guests who forget their own face covering will be asked to go purchase one or will be asked to join a later tour when they can provide the proper face covering.
- **Gloves will be used by guides during food tastings.**

Sanitation & Cleaning

- **Hand Sanitizer will be available throughout the extent of the tour experience.** All guests and guides will be asked to sanitize at the beginning of the tour.
- There are many opportunities throughout the tour for guides and guests to **wash their hands with soap and water.**
- Throughout the tour, the guide will be vigilant about helping guests to **avoid high contact surface areas** (tables, doorknobs, railings, etc). Hand Sanitizer will be available after passing through any areas containing such surface areas.
- We are in **constant contact with our restaurant partners** regarding their own effort to go above and beyond national and local health & safety guidelines to ensure that at every point of contact throughout the tour, the utmost care and precaution is being taken.
