

## KIDS LOVE OUR CAMPS!

Positive Energy's summer camps offer small group sizes (maximum of 12 participants), experienced professional staff, and youth-sized equipment. We offer a supportive environment where participants feel safe to try new skills and meet new friends.

**Each week of camp ends with a picnic and camper presentation at Enger Park.**

**Transportation:** Meet at Marshall School Parking Lot at 8:30 am, 1215 Rice Lake Road, Duluth. Pick up campers at 4:30 pm.

*June 11–15 \$300 suggested donation*

**Cancellation Policy:** Camp fees are fully refundable if a replacement is available from a waiting list AND the request is made 14 days prior to the start of camp. We are not able to offer refunds for cancellations with less than 14 days notice.

**Program Fees Include:** Transportation, equipment, instruction, and t-shirt

**What to Bring:** a bag lunch, water bottles, sunscreen and rain gear. A detailed clothing list, assumption of risk form, health form and Positive Energy's behavior policy is included as part of the online registration process.

**Registration:** Register online at [www.OutdoorEdVentures.org](http://www.OutdoorEdVentures.org) or call (218) 391-0147.

## GRADES K-4

### TRY IT ALL CAMP

June 24-28 \$300

July 22-26 \$300

August 19-23 \$300

Join us for an age appropriate introduction to kayaking, rock climbing, hiking, draft horses, and sled dogs, with lots of time for games and nature play. This popular outdoor adventure sampler is specifically designed to provide younger children with a solid foundation for future outdoor experiences.

### ESTUARY ADVENTURES ON THE ST. LOUIS RIVER

June 10-14 \$300

August 26-30 \$300

Positive Energy Outdoors is partnering with the Duluth Children's Museum to offer a new summer camp opportunity for children in grades K-4 combining science and adventure. This camp is designed to inspire young children to get excited about science and the outdoors, and is funded in part by a grant from the Minnesota DNR and the National Oceanic and Atmospheric Administration (NOAA).

## GRADES 2-8

### SLED DOG & DRAFT HORSE CAMP

June 17-21 \$300

Love horses and sled dogs? Spend a week learning about draft horses, the gentle giants of the horse world, and PEO's kennel of friendly Alaskan husky sled dogs. There is still plenty of time for swimming, hiking, kayaking, team challenges and rock climbing after spending each morning with the animals.

### SWIM, KAYAK, VOYAGEUR CANOE, PADDLEBOARD, CLIMBING CAMP

July 8-12 \$300

August 5-9 \$300

Join us at our private inland lake waterfront for a week of fun on the water, where you'll go swimming, kayaking, voyageur canoeing and paddleboarding (SUP). Campers will also rock climb at an outdoor site in Duluth, and go on a paddling day trip to Island Lake.

### GIRLS OUTDOOR ADVENTURE EXPERIENCE

July 15-19 \$300

August 12-16 \$300

This all girls program focuses on supporting girls to develop positive images of themselves, their abilities, and their connection to the outdoor world. Camp activities will include rock climbing, water sports (kayaking, paddle boarding, voyageur canoeing, swimming), driving our draft horse team, hiking, learning outdoor cooking skills and meeting PEO's kennel of sled dogs.

## GRADES 7-12

### COUNSELOR-IN-TRAINING (CIT)

June 7-8 \$50

If you are a teen aged 13-18 and interested in helping as a CIT during our summer day camp programs, we are excited to have you join us! A volunteer commitment of at least one full week of day camp is required for participation.

### SUMMER ADVENTURE CLUB AT LOWELL

Grades Pre-K-5

June 17-August 23 (No Club July 1-5)

\$45/day part time, \$40/day full time

A summer care program that combines outdoor education and nature play. Weekly field trip on Fridays. Children will also participate in nature crafts, gardening, yoga, games and more. You may choose as many or as few weeks as fit your schedule. Part-time and full time options are available.

8:30-4:30 Monday-Friday  
(Extended care 7:30-5:30)

## GRADES 5-8

### PADDLE, CLIMB & CAMP OUTDOOR ADVENTURE SKILL BUILDER

July 29-Aug 2 \$350

Designed for everyone entering 5th-8th grade who may have some outdoor experience, or a strong sense of adventure. This week long experience develops skills in inland lake kayaking and rock climbing and includes an overnight camping trip to Jay Cooke State Park.

### ESTUARY ADVENTURES ON THE ST. LOUIS RIVER

June 10-14 \$300

August 26-30 \$300

Positive Energy Outdoors is partnering with the Duluth Children's Museum to offer a new summer camp for middle school youth in grades 5-8 that combines science and outdoor adventure on the St. Louis River Estuary. You'll learn science techniques and skills from real scientists, gather water samples, learn about plants and animals that call the river home, and build river robots.
