

Preference Card – Island Hummer Tour

Ship name _____ Tour Date _____ Meet up Times on Pier ____/____
Month / Day

Number in party _____ Party Name _____ Cabin # _____

Please list the age and weight of children requiring a car seat*: _____

(*State law requires children 4 years old and/or less than 20 pounds (9 kilos) require a car seat-between 4 & 8 years old, 57 inches (1.5meters) and/or less than 65 pounds (29.5 kilos) require a booster.

Please help rate your group's mobility level by circling one that is closest to your party's' mobility level:

- 1 = for fun, relaxing walk or ride and everyone can do it; it does not requires any effort.
- 2 = for easy outdoor activities, trek at a comfort level.
- 3 = for moderate trekking, this has some challenges, might go up hills or through difficult trails.

Will any of your party be traveling with a collapsible wheelchair: Yes/No (#_____)

Please check what might attract you the most so we can better prepare your custom tour. The Guide will go over your interests and proposed itinerary at the beginning of the tour. Start with where ever you wish the guide will give you more details. You can mix it all up and take a blend of all the options.

Are you a history buff?

_____ Ketchikan City Tour

- Absorb the rich history of Ketchikan while driving through the back streets seeing highlights, the salmon ladder, bear valley, roads built over water and many harbors. Your guide can take you for a walk on Creek Street where locals, loggers, miners, and fishermen went to misbehave back in the town's lawless years.
- Your guide can show through cultural centers like Totem Heritage Center or the Tongass Historical Museum and learn more about the local native culture. Also the Southeast Alaska Discovery Center offers information about Alaska's wilderness areas, ecosystems, wildlife, natural resources, public lands, and native cultures.

Are you a Native arts enthusiast?

_____ Totem Parks

- Potlatch Park is a family owned Totem Park with totem poles carved by a local carver, a clan house, and for those with an interest in rare antique weapons and automobile.
- Totem Bight State Park offers a rare totem circle, clan house and access to one of Ketchikan's scenic shorelines.
- Saxman Native Village and Totem Park which maintains the world's largest collection of authentic totem poles

Are you a nature lover?

_____ Natures Trails

- Beaver Falls has a beautiful waterfall where the water cascades 175 feet down the mountainside.
- Herring Cove has mix of fresh and salt water provides opportunities to see a unique mix of seasonal wildlife.
- Beach Walk through the rainforest leading out onto one of Ketchikan's favorite beaches.
- Ward Creek Trail runs through the Tongass National Rainforest leading to a beautiful view of Ward Creek.
- Lunch Creek Trail where you will find a rapid flowing creek in a beautiful rainforest setting.

We can take you shopping or take you on your errands too. It's all up to you!
