

**It's been a while since we've updated you...
So what's new?!**

BEHIND THE SCENES...

**We create team building events for corporate groups all the time so we embarked on our most ambitious experience to date and did some traveling of our own over the summer! The NO Secrets team explored Savannah, Georgia, another historic river town and “sister city” to New Orleans! What a treat to spend a week learning and bonding with one another! Be sure to check out the whole nine-part series of our shenanigans on our [Instagram](#) for some tips, especially if you're planning a trip to Savannah.
And cheers to more travel in the future! 🍷🍷**

EXCITING ANNOUNCEMENTS!

**We've teamed up with Mysterious Adventures Tours
and are incredibly excited to announce**

[A BRAND NEW, 8-DAY EVENT!](#)

In addition to overnight stays and paranormal investigations at haunted locations (including the Myrtles Plantation!), you will explore the undead with a vampire expert, as well as learn how to make magick sigils and voodoo gris gris. This extraordinary experience has it all!

New Orleans: The Supernatural Trifecta Tour Promo

Please join us in belatedly congratulating our very own Alexandra Kennon on accepting a position with [Country Roads Magazine](#) as their Arts & Entertainment Editor! She left us in the summer of 2020 and though we were sad to see her go, we've loved seeing the exciting work she is producing with the magazine.

Speaking of, did you know that she also wrote a book?! [Classic Restaurants of New Orleans](#) will lead you on a tour through many of New Orleans' most famous restaurants and introduce you to the fascinating people and circumstances that surround them. Congrats, Alex!

We couldn't be more proud of you!

WHAT ELSE IS NEW?

Secret's Out: We ALSO Wrote a Book!

In 2019, James, Mark, and Angela were approached by a publisher to write a book specifically highlighting some “secret” places, stories, and history that we don’t have the opportunity to share on tours. Covid had other plans for the official release party, but the book is now widely available! Want to learn where you can eat a romantic dinner with a ghost, ascend an intergalactic stairway, or come face-to-face with Napoleon...and even bathe in his bathtub? (Seriously!)
