

# Eco-Experiences

DISCOVER THE HEART OF **ARGENTINA** THROUGH ITS PEOPLE, HISTORY AND NATURAL BEAUTY.

## HOLISTIC TOURISM

Our experience is more than tourism, it is life. We designed it to offer you much more than adventure and relaxation: we integrate culture, history, nature and internal knowledge, inviting you to a renewing and comprehensive journey.

## ARGENTINIDAD TOTAL

From the concrete jungle of Buenos Aires to Pre-Antarctic Patagonia, explore while connecting with nature, the energy of its mountains and the depth of its seas, the powerful history of the native peoples, the rich culture of the Argentines ...and with yourself.

## SUSTAINABLE AND REGENERATIVE

We will also visit sustainable and regenerative projects, completing your trip with an impression of the resilient initiatives that emerge in the midst of the greatest economic chaos to live more aligned with our Planet Earth.

Our invitation is for you to return feeling the "Argentine spirit" as a transformative and enriching experience for your entire life.

# Eco-Experiences

## HOLISTIC ARGENTINA

### BUENOS AIRES

#### The city of fury

Immerse yourself in this vibrant mega-capital of Latin America and discover the rich culture, history and gastronomy of the Argentines through a complete city-tour, where you will capture the essence of Argentina, a melting pot of people from all over the world. We will explore iconic places, from the historic Plaza de Mayo to the charming world of tango in the neighborhoods of San Telmo and La Boca. Experience the energy of La Bombonera, one of the most famous football stadiums, where Maradona played for years

### USHUAIA

#### City at the End of the World

Enter the southernmost city in the world, located in the impressive Patagonian region, a gateway to the Argentine Antarctic. In addition to enjoying its exquisite cuisine. We will explore the wonderful nature that surrounds Ushuaia, with the impressive landscapes of the Tierra del Fuego National Park, where we invite you to feel the emotion of being in a unique and magical place, and a walk through the Beagle Channel to feel the air on your face. fresh that blows from the white continent.

### CÓRDOBA

#### The Jewel of Argentinians

Discover the heart of Argentina, the province of Córdoba, a jewel known for the natural beauty and powerful energy of its ancient mountain ranges. We invite you to live a holistic eco-experience designed to offer hiking adventures in its ancient and sacred lands while relaxing in a beautiful boutique hotel. Our focus is to connect with nature and the legacy of the ancient inhabitants of America, but we will also include visits to sustainable and conscious projects and initiatives in your trip.

### IGUAZÚ

#### Natural Wonder

Conclude this trip with a visit to the impressive Iguazú Falls, surrounded by the lush subtropical Guaraní jungle. Explore this unique natural wonder from the Argentine and Brazilian National Parks. The Iguazú Falls are one of the greatest natural beauties of Argentina and have been declared a World Heritage Site by UNESCO. Enjoy traditional tours, admire the panoramic views and cross the border to see them from the Brazilian side.

### RURAL BUENOS AIRES

#### A taste of the Infinite Pampa

Before returning to your country, immerse yourself in the essence of gaucho culture at the traditional "Estancia Santa Susana". Embark on an exciting journey to this ranch located about 80 km from Buenos Aires. Explore the old town converted into a museum, enjoy a delicious Argentine barbecue, and participate in outdoor activities to learn about the traditions of the Argentine countryside.
