

**The safety of our guests and staff is of our highest priority. Our opening date will be contingent on the timeline set forth by state, county and city. We are anticipating a soft opening between Mid-May and Memorial weekend.**

**We will be operating on a limited basis until further notice. We have implemented the following modifications to minimize risk.**

- Shuttle seating on the bus will be spread out, allowing for 8 feet of distancing.
- We cannot accept parties larger than 10, until further notice.
- Face coverings will be required at check-in and on the 15 minute shuttle ride.
- Staff will be performing rigorous disinfecting of hands, surfaces, writing utensils, vehicles and gear for every trip.
- We ask that you keep at least 8 feet distance with others outside of your party, and to wear a face covering if that is not possible.
- Alcohol will be prohibited.
- Children and dogs must be accompanied by an adult at all times.

**Feel free to call if you have questions, or book online.**

**We look forward to getting you outdoors!**
