

Acknowledgement of Risk – Corona Virus & Conduct Agreement

Warning:

Coronavirus Disease 2019 (COVID-19) can cause mild to severe respiratory illness with fever, cough, and difficulty breathing. In some serious cases, COVID-19 can be fatal. No existing vaccines prevent COVID-19. This means that the only known way to prevent illness is to avoid exposure to the virus. Current information indicates that the virus is mainly spread person-to-person through the respiratory droplets an infected person produces when they cough, sneeze, or talk. Recent studies indicate that an infected person can transmit the virus even if they are not showing symptoms. This means that someone who appears and feels healthy could spread the virus without knowing it.

In consideration of the services of Pacific Catalyst II, Inc. their officers, agents, employees, and stockholders, and all other persons or entities associated with those businesses (hereinafter collectively referred to as the “outfitter/guide”), I agree as follows:

Although the outfitter/guide has taken reasonable steps to minimize the spread of COVID-19, the outfitter/guide has informed me that it is not possible to eliminate the virus completely and that by participating in this activity, I could be exposed and contract the disease, which, in the extreme, could result in permanent illness or death.

I certify that I understand the risks of exposure by participating in this activity. Therefore, I assume and accept full responsibility for myself, including all minor children in my care, custody, and control, for bodily injury, death, loss of personal property, and expenses as a result of those inherent risks and dangers identified herein and those inherent risks and dangers not specifically identified, and as a result of my/our negligence in participating in this activity.

I understand and agree that if the trip is terminated early because I or another participant becomes COVID-19 symptomatic, there will be no refund. If I have to be quarantined and/or retested (unless the second State of Alaska test applies) it will be at my own expense.

I agree that as part of this activity, I will conduct myself in such a way as to minimize the spread of COVID-19 by wearing a face covering as much as is practical. I will also socially distance to the maximum extent possible and I will follow all crew directions and orders. I will practice good hand hygiene and cough/sneeze using a tissue or my elbow or shoulder. After obtaining the SARS-CoV2 PCR test required by the state of Alaska, I will make a copy of the test results available to the outfitter/guide. I understand that I will not be permitted to board the vessel, should I exhibit COVID-19 symptoms or fail to produce proof of a negative test.

I have carefully read, clearly understood, and accepted the terms and conditions stated herein and acknowledge that this agreement shall be effective and binding upon me, my heirs, assigns, personal representative, and estate, and for all members of my family including any minor children.
