HELPFUL TIPS

Rolls are per person, not per ball! For a group
of 50, you'll need 50 rolls for everybody to
ride once!

Tip: 100 rolls can be done within the hour if
sharing an orb! This creates a better
experience due to more speed and
movement! 50 rolls can be done in an hour if
each person rolls in their own orb!

PERKS

No wait time!
All Go-Pro videos are included with the
private event!

TEAM BONDING

Fighting Gravity: Can your team beat
gravity? Have them roll our orb up a
track!

The Hulk: Can anybody hold the orb by
themselves? We'll start with the whole
team and see who becomes the last ones
standing!

The Runningman: Who can run in the orb
down the track? Free T-shirt on us if it's
accomplished!

The Massage: We're no masseuses but we
can guarantee we'll get some deep tissue
pressure when you get run over by our
orb! Can you beat our record of a 30
person rollover?

Want team bonding? Let us know in the
comments when you book your private
event!
