Itinerary:

Day 1 Depart Windsor in the morning via luxury van. Our first stop is Armstrong Redwoods State Park where we will hike the cool, moist forest preserve, often shrouded in a mystical fog. We will visit the oldest tree in the park, estimated to be over 1400 years old. Lunch will be on your own in downtown Guerneville, an unconventional yet stylish, rustic yet cultured town in the Russian River Valley. Spend the afternoon shopping or relaxing on the beach next to the river. Dinner is included and will be at Drake's Sonoma Coast at Bodega Bay Lodge. We will overnight in Guerneville or Bodega Bay, depending on availability.

Day 3 Save an apple from breakfast to treat your horse if you choose to go on a horseback ride this morning. Otherwise, try your hand at Rainbow Trout fly fishing. Next, a short drive brings us to the only privately owned beach in California. The afternoon will be spent here with a gourmet picnic lunch. Kick off your shoes and walk along the 2 miles of white, soft sand. In the early evening we depart for a one hour cruise on the bay via luxury yacht. We might catch a glimpse of fisherman bringing their catch to the wharf restaurants, or possibly migrating whales. Dinner this evening is at the Tides or Lucas Wharf.

Day 4 After breakfast we check-out and head for Sonoma Coast State Park where we hike high above the rugged coast. The scenery varies from Redwoods, rocky beaches and the Russian River estuary where the waters of the river meet the ocean. Next, we head to Bodega where the classic scene from Alfred Hitchcock's movie "The Birds" was filmed. We will have lunch and taste wine at several wineries as we make our way back to Windsor.
