Authorized Concessioner

WHAT IS SO IMPORTANT ABOUT BEING A CONCESSIONER?

The Commercial Services Program of the National Park Service is made up of an extensive number of contracts throughout the USA.

When Island Express Ferry Service LLC was chosen to be the Authorized Concessioner for CALO, we were elated to be able to offer services, such as point-to-point ferry service from Beaufort to Shackleford Banks, Beaufort to Cape Lookout Lighthouse, Harkers Island to Cape Lookout Lighthouse and Shackleford Banks, Land Transportation (MEGA Trucks) and Harkers Island to Cods Creek.

As part of these contracts, the National Park Service continually administers the operations and standards of its authorized concessioners for ensuring high quality visitor services. This means, we continually strive to live up to and exceed our motto of providing you "An Experience to Last a Lifetime."

Some National Park Service units have one or more concessioners. These contracts are used to fill a vital role with helping the National Park Service carry out its mission by providing services that parks do not provide directly.
