

We are closely monitoring the situation with COVID-19. The safety of our guides and customers are of the utmost importance, and we plan to operate in accordance with federal, state, local and CDC recommendations. These procedures and protocols may be subject to change as new facts on the ground and/or information becomes available.

Due to the situation with the COVID-19 virus, we are delaying the opening of the 2020 season to Sunday, June 28.

At Your Service is instituting safety procedures and operating protocols for 2020 includes the measures we are actively taking to mitigate the spread of coronavirus.

Sanitizing and masks will be an important part of At Your Service safety procedures and operating protocols for 2020. You will be required to follow these rules in order to participate in a healthy and safe tour.

- All guides and guests are required to wear face masks while inside the vehicle.
- As always, tours are private to the group booking. We do not mix groups.
- Guests will not be permitted seating in the front seat next to the driver.
- Hand sanitizer will be provided in the vehicles.

These procedures and protocols may be subject to change as new facts on the ground and/or information from the State of Maine CDC becomes available.
