- Juneau, Alaska -

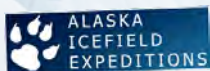

[www.northstartrekking.com](http://www.northstartrekking.com)  
(907) 586-2030

## Glacier Dog Sled \$659

- Approximately 2 miles of mushing with a team of Alaskan sled dogs
- 1 hour glacier time
- 3.25 hours total
- Ages 2+

**FLY** over the breathtaking Juneau Icefield and Tongass National Forest on a pilot-guided tour en route to dog camp. All trips include approximately 30 minutes of flightseeing in an A-Star helicopter.

**MUSH** across a snow-capped Norris Glacier behind a professional team of excitable sled dogs! Learn proper steering commands as you drive your dog team under guidance of an experienced musher.

**DISCOVER** and experience the knowledge and enthusiasm of mushers and sled dogs alike on one of the most unique Alaskan adventures imaginable at our secluded dog camp accessible only by helicopter.

All tours include approximately 30 minutes of flight time  
Surcharge applies for weights of 250+

NorthStar Trekking LLC operates under USDA Forest Service Special Use Permit in the Tongass National Forest and is an equal opportunity employer.
