Taku Glacier Helicopter & Airboat Adventure

\$655

- 1 hour boat ride
- 15 minute glacier landing
- 3.25 hours total
- Ages 7+

AIR Enjoy sweeping views of the massive Juneau Icefield and Tongass National Forest on your helicopter flight to and from Taku Point. All trips include approximately 30 minutes of flightseeing in an A-Star helicopter.

WATER View the towering face and terminus of the Taku Glacier from the water aboard a spacious airboat. The airboat captain will stop in various locations for photos and to provide informative narration.

ICE Experience an ever-evolving winter wonderland on your brief landing atop the glacier. Enjoy ample photo opportunities as you take in the glacier's majestic features.

All tours include approximately 30 minutes of flight time
Surcharge applies for weights of 250+

NorthStar Trekking LLC operates under USDA Forest Service Special Use Permit in the Tongass National Forest and is an equal opportunity employer.
