

## PAPER TRAINS

Whether it's super rainy, cold and snowy, or you've got a case of the sniffles. Making paper trains is a great craft you can do when you find yourself stuck indoors!

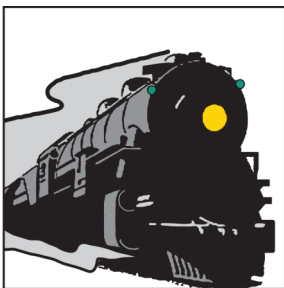

### What you will need:

- 4 toilet paper rolls
- 3 pipe cleaners
- 12 milk or soda bottle lids
- Markers or paint
- Scissors
- Glue
- Hole punch

### How to make it:

1. Color or paint the toilet paper rolls and allow to dry.
2. To make the smoke stack, cut a 'C' in
3. Use the hole punch and punch holes into the ends and use the pipe cleaners to link the train cars together
4. Glue on smoke stack and wheels and let dry!
5. Time to play with your paper train!
