

PAPER PLATE SNAKES

Hiss Hiss Hiss goes the snake! With this quick and craft you can let your creativity soar! It's a great opportunity to explore all the colors of the rainbow and spread a little cheeriness to your day!

What you will need:

- Paper plates (1 per snake)
- Scissors
- Markers
- Glue (optional)
- Googly eyes (optional, you can draw the on)
- Hole punch
- Yarn or string

How to make it:

1. Trim off the raised edge of the paper plate
2. Color your snake with markers and let dry
3. Flip the plate over . Starting in the center of the plate, draw a spiral
4. Cut the spiral out
5. Flip the plate back over and glue on the eyes
6. Using a hole punch, put a hole on the head and string your yarn through.
7. Gently lift the head and pull the cut spirals apart
8. Time to hang him up! Let your snake dangle from your favorite spot in your room!
