

Ant Thumb Prints

What you will need:

- Finger paints or colored stamp pads
- Sheet of paper
- Black marker

What to do:

- Place your index finger in the paint or on the colored stamp pad
- Press your finger to the paper
- Place your middle finger in the paint or on the colored stamp pad
- Press your finger to the paper, overlapping slightly on the first finger print
- Press your pinky finger in the paint or on the colored stamp pad
- Press your finger to the paper, overlapping slightly on the second finger print
- Repeat all over the paper
- Take the black marker and draw legs, eyes and antennae
- Share your ants on the Museum's Facebook Page [@nationalrrmuseum](#) or on Instagram at [#NationalRailroadMuseum](#)
