

# Trouble the Cat

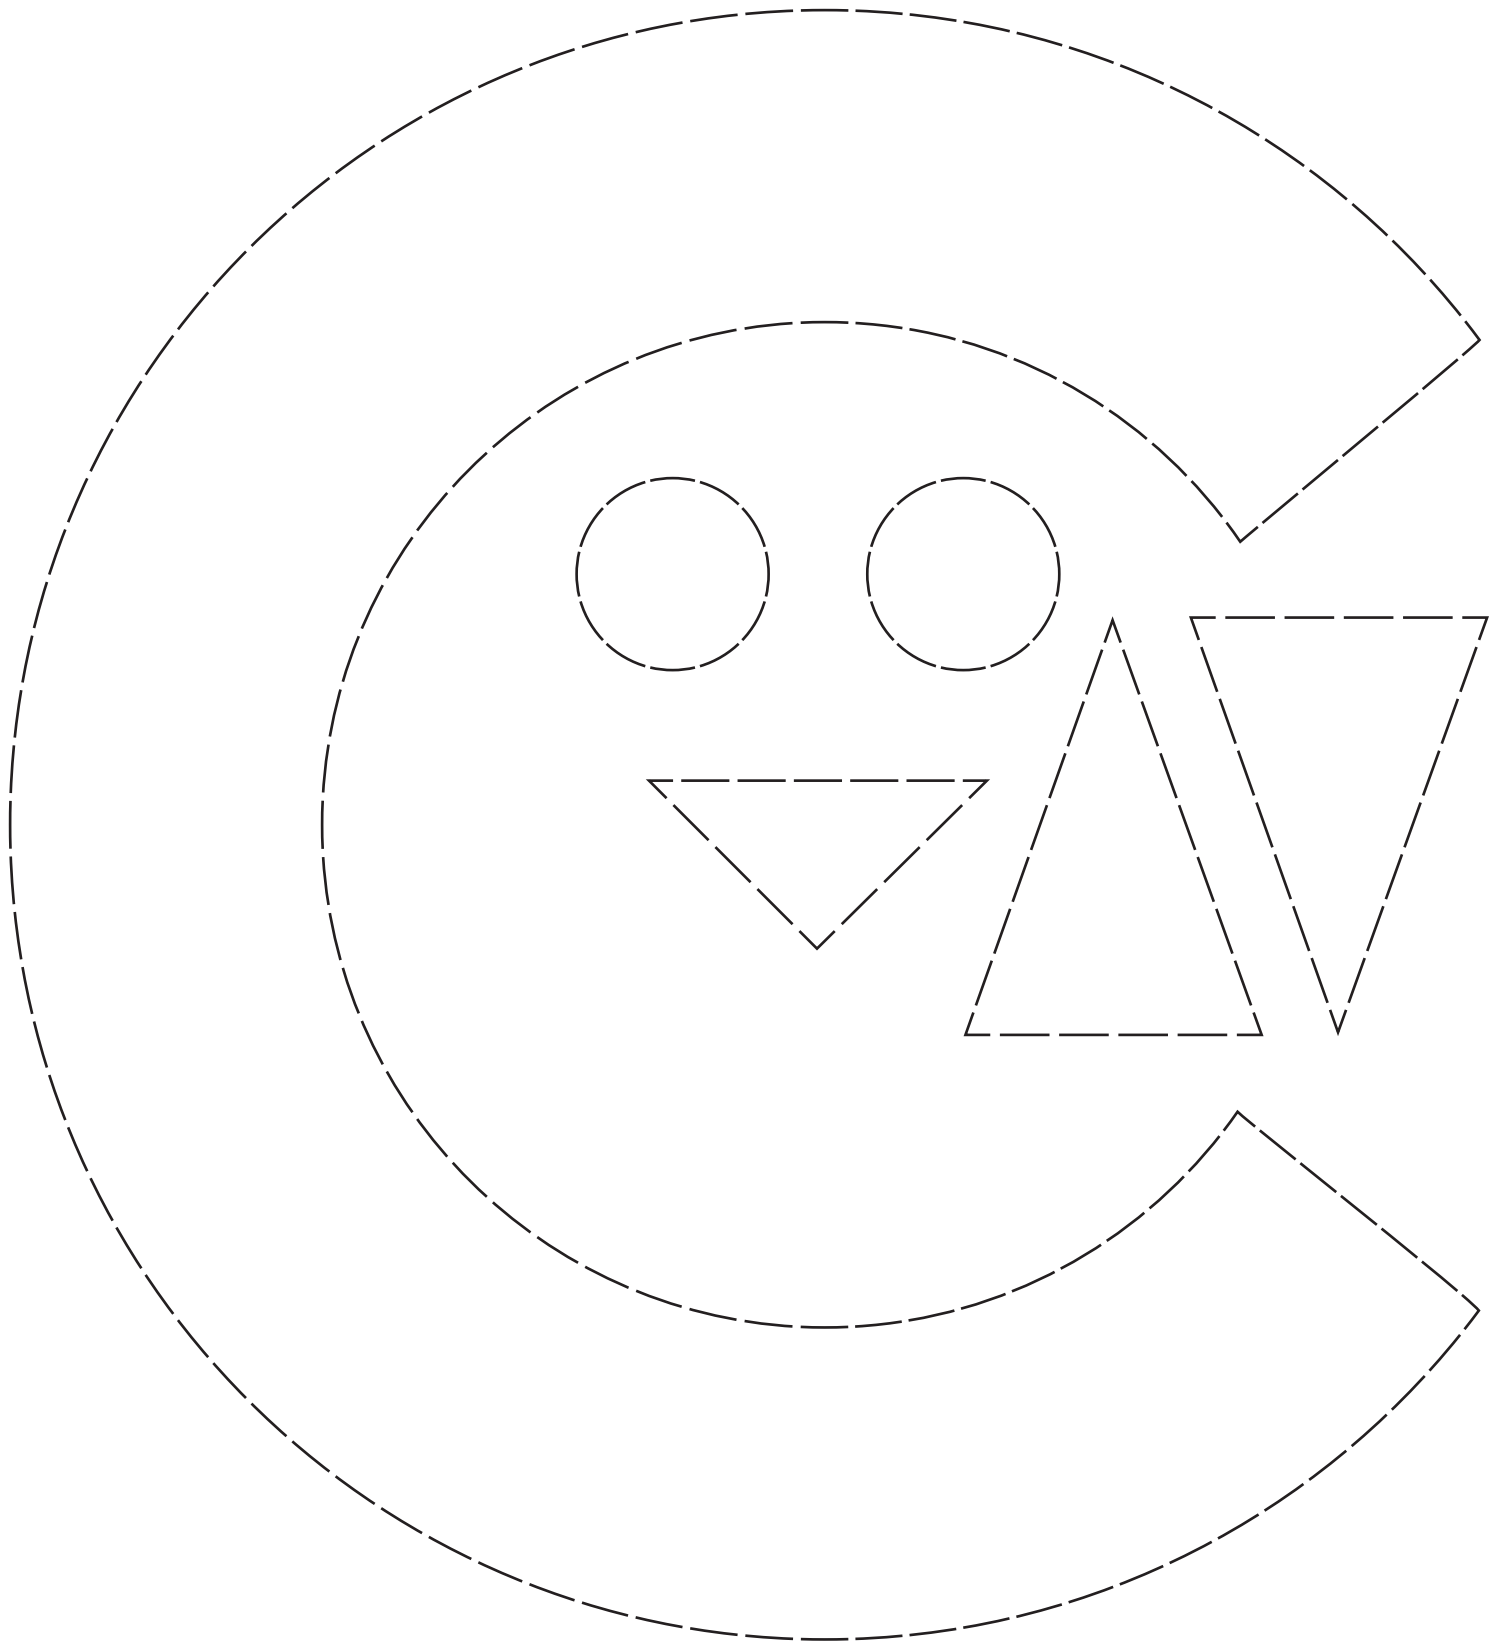

## What you will need

- Brown or black construction paper
- Light color construction paper
- Cotton balls
- Glue stick
- Scissors
- Googly eyes
- Markers

## What to do:

- Print out the traceable letter C and cut it out
- Print out the traceable triangle and cut it out
- Trace the letter C onto your construction paper and cut it out
- Trace 2 triangles onto your construction paper and cut them out
- Using your glue stick, glue the C onto a piece of construction paper
- Glue the triangles on as ears
- Glue the googly eyes
- Draw and nose, mouth and whiskers with a marker
- Take your cotton balls and glue stick and glue them over the C to make your paper cat fuzzy. Feel free to use colored markers to change the colors of your cotton balls. Note: let the cotton balls dry first if you add color.
- Share your cat on the Museum's Facebook Page *@nationalrrmuseum* or on Instagram at *#NationalRailroadMuseum*
