

Tiger Mask

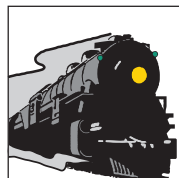

What you will need:

- 3 paper plates
- Scissors
- Glue
- Markers
- Popsicle stick, sturdy straw, or skinny wooden dowel

What to do:

- Put your paper plates together and trace holes for your eyes
- Cut out your eye holes
- Using the third paper plate, trace and cut out ears
- Color your ears
- Color one of your paper plates, making a nose and mouth for the face of your tiger, don't forget to add stripes
- Glue the dowel or popsicle stick to one of the paper plates
- Glue the paper plates together
- Have a tiger-riffic time!
