

# Binoculars

## What you need:

- 2 empty toilet paper rolls or 1 paper towel roll cut in half
- Markers
- Stickers
- Glue stick
- Hole punch
- Yarn
- Ruler
- Scissors

## What to do:

- Decorate your toilet paper rolls using your markers and stickers, let dry
  - Take one of the rolls and draw a line of glue down the side from top to bottom
  - Press the toilet paper rolls together and let the glue dry
  - Using your hole punch, punch a hole towards the top of the toilet paper rolls on the outside
  - Cut a 12" – 15" piece of yarn
  - Take one end of the yarn, guide it through one of the holes from inside the roll to the outside
  - Connect it to the yarn and tie a knot
  - Repeat on the other side
- What do you spy?*
