

Coffee Filter Moose

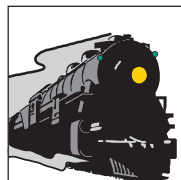

What you need:

- Coffee filter
- Crayons
- Markers
- A sheet of construction paper
- Glue stick

What you do:

- Flatten out the coffee filter
- Glue the filter to the center of a piece of construction paper
- Color your coffee filter, adding eyes, nose, mouth as this is the face of your moose
- Draw antlers on your construction paper and now you have your very own *"Moose on the Loose"*
