

Balloon Elephant Cards

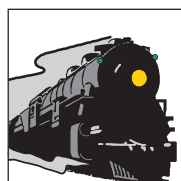

What you need:

- Construction paper
- Balloons
- Googly eyes or eye stickers
- Glue stick
- Ear template
- Scissors
- Pencil or marker

What you do:

- Print out ear template and trace onto one piece of construction paper and cut out
- Take another piece of construction paper and fold it in half
- Cut the folded paper in half. You should have two cards
- Glue the top half of a balloon onto the card. The opening of the balloon is the trunk
- Glue the ears on each side of the head
- Add your eyes and let it dry

Now you are ready to write a note and send a friend a smile
