

Monster Eyes Sensory Bottle*

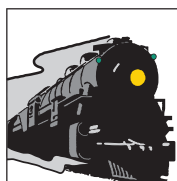

What you need

- Empty plastic water bottle with the lid
- Water
- Colored glitter
- Assorted sizes of googly eyes
- Baby oil
- Hot glue gun
- Glue gun glue sticks

What to do:

- Wash, dry and remove the label from the water bottle
- Fill the bottle halfway with room temperature water
- Add two spoonfuls of glitter
- Add the googly eyes
- Using the baby oil, fill the bottle all the way to the top
- Place the lid back on the bottle and tighten
- Mix up the contents, if you need to add more glitter or googly eyes, feel free
- Once you have the bottle just the way you want it, use the hot glue gun and glue stick and draw a bead of glue around the top of the bottle and screw on the cap. Allow it to dry for 15 minutes.
