

# Chocolate Fudge Sauce

National  
Railroad  
Museum

A dessert recipe from the *Pennsylvania Railroad Dining Car Department Cooking & Service Instructions* – April 1947.

In just about every official railroad cookbook there is a section with recipes for sauces both sweet and savory. The sauces are then merely referenced in the recipes for the complete dish. To start, try this sauce over ice cream. Then incorporate into other desserts. Enjoy!

4 individual packages chocolate  
1/2 cup sugar  
1/2 teaspoon salt  
1 tablespoon cornstarch  
1/2 cup white corn syrup (Karo)  
1/2 cup milk  
2 tablespoons butter  
2 teaspoons vanilla

Mix dry ingredients, add corn syrup and milk and mix thoroughly. Cook 15 minutes, stirring until it thickens. Add butter, cool, add vanilla.
