

# Wooden Spoon Mouse\*

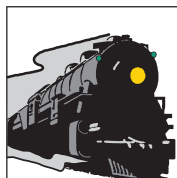

## What you need:

- Wooden spoon
- White paint
- Paintbrush
- Construction paper (white and pink)
- Scissors
- Hot glue
- Googly eyes
- Yarn (white)
- Bead (pink)
- Black Sharpie

## What to do:

- Use the paint and brush to paint the wooden spoon
- Cut out the mouse ears. Make the white circles larger than the pink ones and glue the pink on top of the white ears
- Glue the ears on the back of the spoon
- Glue the googly eyes on top of the spoon
- Cut two small pieces of yarn and glue where the nose is going to make the whiskers. Glue on the bead as the nose
- Take the black sharpie and draw the mouth
- Cut a longer piece of yarn and glue on the back of the spoon, down the handle to make the tail
