

Dinosaur Fossils*

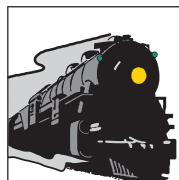

What you need:

- 2 cups flour
- 1 cup salt
- ½ cup warm water
- Plastic dinosaurs
- Bowl
- Wooden spoon
- Measuring cups
- Parchment paper

What to do:

- Using your measuring cups, mix the salt, flour, and water together in the bowl. Use the wooden spoon to stir until the mixture becomes a dough-like consistency.
- Take a tablespoon size piece of the dough and roll into a ball
- Put down parchment paper on your counter or table
- Place the dough ball on the parchment paper and flatten with your hand
- Press the plastic dinosaur into the dough to make an imprint, then remove
- Let dry until harden
