

NEPTUNE'S BALLROOM AND COURTYARD

Neptune's Ballroom and Neptune's Courtyard, are a perfect combination of indoor and outdoor accommodations.

The 2,500 square foot Ballroom houses a civil war era submarine, affording a very unique piece of American history to be part of your event.

We can accommodate just about anything you can imagine.

The Courtyard features two lily ponds with fountains.

Use them together or separately for that truly one of a kind event.
