

A Brief History of the Grand Wine Cellars of Houmas

The Plantation was originally surrounded by five Moorish styled water cisterns beside and behind the mansion. In the 1940's Dr. Crozat demolished the five cisterns and replaced them with two matching Douglas Frerret designed high pitched terracotta tile roofed brick cisterns. Since then we have converted these beautiful water cisterns into extraordinary wine cellars. With a collection of fine wines from the mountains of Washington to coastline of New Zealand our wine cellars truly have a worldwide selection to choose from. The large water tanks that originally were enclosed in the cisterns have been replaced with bottle holders that are attached to the masonry walls, cast iron balconies, and circular staircases. The white wine cellar is located on the upriver side of the mansion while the red wine cellar is located on the downriver side of the mansion.

10402 Laurent Perrier “La Cuvée”

\$92

Marne, France NV

Champagne

Family owned and operated since 1812, the house of *Laurent Perrier* has been one of the leading producers of champagne. *La Cuvée* is a blend of Chardonnay, Pinot Noir, and Pinot Meunier aged in unoaked barrels. Notes of citrus and white fruits allows this dry champagne to be enjoyed as an aperitif or as a paring with vibrant seafood dishes.

10810 The Hilt Estate

\$71

Santa Barbara, California 2016

Chardonnay

Set in the valley of Sta. Rita Hills, Rancho Salsipuedes, where The Hilt winery resides, has an unobstructed view of the Pacific Ocean from 13 miles inland. Strong ocean winds and colder climate allows the vines extra time for the grapes to ripen and develop more complex flavors while the soil they're planted in bring a nice hint of acidity. The Estate is the full representation of The Hilt's vineyards selecting grapes from across their property.

10900 Poseidon Vineyards

\$50

Carneros, California 2016

Chardonnay

In 1973, on a piece of land that was never imagined producing wine and only used a grazing land before, Poseidon Vineyards started their winery. Set too far south this land was told to would never produce quality grapes. Poseidon Vineyard has proved those naysayers wrong for over 40 years now with their rich flavors. This Chardonnay is also barreled using Hungarian Tokaj Oak barrels, which accounts for only 4% of the world's wine barrel production, with have a tighter grain structure which allows the wine to develop a more aromatic flavor.

20407 Orin Swift “Blank Stare”

\$43

Russian River Valley, California 2017

Sauvignon Blanc

Since 1998 Dave Phinney, who founded Orin Swift Cellars, has been producing exquisite wines. Blank Stare is Dave's venture into the Russian River Valley with his former Sauvignon Blanc, Veladora, coming from Napa Valley. Blank Stare is a perfect balance of old world meets new world in classic Phinney style. Fresh notes of fruits with crisp acidity gives this Sauvignon Blanc a refreshing finish.

20406 Cliff Lede

\$52

Napa Valley, California 2016

Sauvignon Blanc

Cliff Lede, an admirer of the Bordeaux style, founded Cliff Lede Vineyards in 2002 in the Stag's Leap District of Napa Valley. This Sauvignon Blanc is an ode to the Bordeaux style with heritage Musqué clones and Sémillon blended into the wine while also maturing for most of

the aging process in French oak barrels. Cliff Lede Vineyard also recently was awarded the *Napa Green Land* and *Napa Green Winery* certification.

21603 Goldeneye “Rosé of Pinot Noir”

\$34

Anderson Valley, California 2017

Rosé

Dan and Margaret Duckhorn crated Goldeneye with the intent to showcase Pinot Noir and to show that it could rise to the prestige that their Duckhorn Merlot achieved in California. Since 1996, Pinot Noir has shown its worth and Goldeneye has been at the forefront of that movement. This rosé or *Vin Gris* of Pinot Noir, which is 100% pinot noir shows the versatility with the grape and deviates from the classis red wine style of Pinot Noir. Light and acidic, this rosé is the perfect wine to enjoy with vibrant dishes or to just drink to enjoy.

31206 Neyers “Left Bank”

\$57

Napa Valley, California 2017

Cabernet Sauvignon and Merlot Blend

A former winner of Food and Spirits Magazine’s *Artisan Winery of the Year*, Neyers Vineyard was founded in 1992 by Bruce and Barbara Neyers. Since a quarter of production grown at their Conn Valley ranch is Merlot and Cabernet Sauvignon, it’s only fitting that they made a great Bordeaux inspired blend using the grapes that grow on the “Left Bank” of the Conn Creek that runs through the property. This blend has a bond fruit forwardness beginning and finishes with a dryness from the tannic nature of the blend.

31103 Obsidian Ridge “Half Mile”

\$112

Sonoma County, California 2016

Cabernet Sauvignon

Co-founder of Obsidian Ridge, Peter Molnar designed the vineyard with the idea of having one of the wine blocks to be set at the highest point of the property hopeful that the wine produced there would be *vin de garde*, or wine that was meant to be aged then enjoyed. Set at 2,640’ above sea level, or “*Half Mile*” this block is one of the highest grown blocks in California when it comes to wine. Labeled as a Cabernet Sauvignon, this vintage is 80% Cabernet Sauvignon blended with 12% Petite Sirah and 8% Petit Verdot.

31003 Justin “Isosceles”

\$125

Paso Robles, California 2015

Cabernet Sauvignon

Since 1987 Justin has been producing Isosceles, first labeled as Justin Reserve, with the intent to produce a classic Left Bank Bordeaux blend in the heart of Paso Robles, California. Grapes grown in this area are subject to the wild day-night shifts in temperature allowing for much bolder taste while limestone in the vineyard give characteristic of classic Bordeaux. The 2015 vintage of Isosceles is 76% Cabernet Sauvignon, 11% Cabernet Franc, and a 11% Merlot.

40407 Diora “La Petite Grace”

\$54

Monterey, California 2015

Pinot Noir

Diora is named after the sun’s “*d’Or*” or golden rays that set along the surrounding sides of the Santa Lucia Mountain Range overlooking their San Bernabe Vineyard in Monterey, California. Winemakers decided to replant blocks in the early 90’s to use the natural wind flow of the valley

to enhance their Pinot Noir grape's attributes by allowing the winds to strengthen the grape's weaker skin. This Pinot Noir is also blended with small touches of Grenache and Petite Verdot, enhancing its fruit forwardness while creating a more well-rounded finish.

40607 Orin Swift "Slander"

Napa Valley, California 2015

\$72

Pinot Noir

When winemaker David Phinney first produced Pinot Noir from Orin Swift he did so only for his personal enjoyment. Those bottles were placed in his cellars with a simple piece of duct tape labeled "Pinot". Upon releasing it to the public he chose to pay homage to that simple label instead of the more whimsical labels he has been known to use with other wines from his winery. Slander is Phinney's quest to end the "*Old World versus New World*" comparison when it comes to Pinot Noir and to showcase the overall greatness of Pinot Noir. Phinney has achieved his goal with Slander which displays a wide range of flavor profiles that open with bold fruit and earth tones while finishing with a rich smooth tannic coating on the mouth.

40707 Spy Valley "Envoy: Johnson Vineyard"

Marlborough, New Zealand 2013

\$80

Pinot Noir

Spy Valley gets its unusual name due to its proximity to a satellite communications monitoring station or as the locals call it a "spy base". Named "New Zealand Producer of the Year" (2008 & 2010) Spy Valley has also been at the forefront of environmental sustainability with the mentality of "Without the environment there is no Spy Valley Wines." Johnson vineyard, which is named after the founding family, is cropped low meaning that since there are fewer grape bunches per block because of the thinning out process the grapes produced there are more highly concentrated in flavor because the soil isn't overly populated. Spy Valley Pinot offers different and fresh take with more acidic and earthier flavors than traditional Pinot Noirs

31408 Jonata "Todos"

Santa Ynez Valley, California 2014

\$63

Red Blend

Jonata is a word meaning "*Tall Oak*" from the Chamsh Indians who populated the area in the 1800's when pioneers started to settle in the area. Jonata wines are produced without the traditional mentality of the Old World wine producers giving winemakers more freedom in exploring different unique blend. Todos is one of those blends that go outside the norm, Todos is the Spanish word for everyone and this blend has "everyone" in it. Todos is a blend of 11 different grape varietals, Syrah being the dominant grape this blend also features Cabernet Franc, Petit Verdot, Sangiovese, and a touch of Viognier just to name a few.
