IMPORTANT INFORMATION

The IFA is taking precautions and following CDC regulations to reduce the likelihood of COVID-19 transmission on its vessels and at its terminals that include conducting a passenger wellness screening upon boarding, enhanced cleaning and disinfecting of vessel and terminals, increased sanitation of high touch point areas and installed Plexiglas barriers. The IFA is mandated to require persons 2 years and older to wear proper face covering and encourages practicing 6' distancing protocols. To the extent possible, the IFA will accommodate a passenger who is unable to follow outlined protocols due to a disability or medical condition.
