Nature meets culture – \$2155 (up to 6 pax)

Rotorua/Tauranga Pick up 9.00am - 4.00pm

Foris eco-tours has created a day tour for the discerning clients who want an intimate nature experience and wants to experience a genuine cultural exchange.

Our nature and culture experience starts with a nature walk in Otanewainuku forest (between Rotorua and Tauranga). This is a stunning forest, home to giant trees, a fantastic community organisation that has established a strong kiwi and kokako population in the forest. We focus on community conservation

We then enjoy a delicious lunch at Mount Maunganui and then check out NZ's favourite beach.

After this we have an interactive presentation with Todd Couper. Todd is a Contemporary Māori artist who specialises in wood carving and sculpture. He has forged a unique style and direction in carving, with commissioned pieces residing in collections both locally and internationally. Todd shares his story of how his nature and culture inspires his art practise. Check out his work here
