**TOUR THEME**

A themed tour that addresses the never-ending subject of Love and the symbolism of Lavender within a romantic relationship.  
A tour filled with surprises, fun facts and a love potion to conclude the tour.

**TOUR OUTLINE**

**1. Group's Welcoming** and distribution of the information leaflet of the museum. The visitors discover with our expert guide the differences between the wild lavenders, the endemic one from Provence, and the hybrids, called «Lavandin».

☺️ According to the season and organisation, this first botanical part can be explained in the garden of the Museum. It can also be presented around the steaming still during the a live distillation demonstration from July, 1<sup>st</sup> to August, 25<sup>th</sup>.

🕒 10 minutes

**2. Inside the projection room**, a documentary shot on our Family-owned Lavender estate Le Château du Bois allows each visitor to follow the harvest of lavender, from cutting to distillation to obtain the most precious essential oil.

☺️ A real movie room with 64 seats allows the visitors to dive into the universe of Provence's lavender.

🕒 10minutes

**3. In the exhibition room** gathering the most beautiful collector's items, the guide tells the story of fine lavender from the XVI Century to present day. They will reveal throughout the tour, the symbolism of flowers, fun facts about lavender and love, and share the legend of the Lavender Fairy .

☺️ A romantic tour starting during Roman time to Nowadays, passing by Casanova and the preparation of a love potion at the end of the tour.

🕒 35 minutes

**4. The tour ends** inside the elegant boutique of the Museum. Each visitor is invited to discover the delicate fragrance of Fine Lavender essential oil, fine lavender niche perfumes and organic cosmetics.  
• The guide's explanations on their elaboration and their advice on their uses and benefits. The guide thanks the audience.

☺️ The PDO Lavender of Haute-Provence (AOP) certification as well as the Ecocert organic and ecological label guarantee Made in Provence and high-quality products.

🕒 10 minutes
