CREATE THE MOST ICONIC LAVENDER LINKED OBJECT

INTRODUCTION

Lavender flowers and its fragrance are Provence's signature. That makes lavender sachets the good luck accessory for your wardrobe. The Lavender Museum invites its visitors to discover the real lavender from Provence, its cousins from the Lamiacea family, teaches you how to recognise them, by fragrance and by shape, and how to use them. Each visitor expresses its creativity and revisits the traditional lavender sachets.

OUTLINE

Description:

Our workshop is led by a professional guide.

Presentation of the aromatic plants of the Lamiacea Family

Olfactive evaluation

Creation and imagination of your one of the kind lavender sachet :
