Choose Your Activities

You choose how you spend your time on the water. With a range of awesome activities to while away the time, there's no end to the adventure you'll have. Snorkel amongst abundant tropical fish and beautiful coral reefs. Hike to an amazing vista. Explore caves and hidden coves.

The Itinerary

Your skipper will plan your itinerary for you, taking in everything you want to do and showing you the best of the Whitsundays. No holiday in the Whitsundays is complete without a stop at the world-famous Whitehaven Beach. Spend as little or as long as you like beach combing, exploring and splashing in the turquoise shallows. Soak up some sun and find out what makes this unique beach so famous.

Sailing

Take pleasure in sailing around the world-famous Whitsunday Islands. Between destinations, get involved in the sailing or relax and enjoy watching the world go by. Get involved in raising the sails or take a turn at the helm. Or get comfortable and watch the crew do the hard work while the wind transports you gently across the ocean.

Relaxing on board

Back on board, you can sunbathe some more, get stuck into a book while you watch the views float past you or even have a lazy snooze in the shade. Wake up from one dream only to find yourself in another dream in reality.

Swimming and snorkelling

Moor in a tranquil cove for some swimming and snorkelling. Discover the amazing underwater world beneath the surface! Watch as the colourful tropical fish dart around you. See if you can get close enough to see the amazing coral in detail.

Extra on board activities

Some vessels also have extra activities available. Test your balance on a stand up paddle board on Whitsunday Blue or Solway Lass, relax in the spa on Whitsunday Adventurer, or swing into the water on Solway Lass' Tarzan rope swing.

The Great Barrier Reef

The Whitsundays location in the Great Barrier Reef Marine Park means that the islands are dotted with beautiful fringing coral reefs. Some charters, if arranged prior, may even be able to visit the outer Great Barrier Reef and spend time snorkelling the World Heritage Listed Natural Wonder.

Make Less Decisions

Chartering a vessel with crew (the skipper and host) is nothing like a normal get together. Everything you would normally have to stress about: the little things you end up forgetting to check and the fiddly parts you leave until the last minute and then don't even bother with - they're all done for you! We take the stress away so you can sit back, relax and enjoy.

After all, isn't that the real reason you're there?

You can confidently charter with Explore Whitsundays, knowing that all of our vessels meet Australian Marine Safety Authority (AMSA) standards, hold all current required certificates, have all necessary safety equipment and insurance. Our crew are experienced and have all necessary training. We also supply all the basic equipment needed - bedding, linen, food and supplies - so you just need to step on board.

All our charters are crewed, so someone else looks after the sailing. With the competent and experienced crew on board with you, your skipper can read the maps and charts and monitor weather and tides to show you the Whitsundays at its best. Your host will prepare and cook all meals and snacks, so you're not stuck in the kitchen. Even washing up after the meals will be taken care of!

Solway Lass has a fully-licensed, well-priced bar on board. For other vessels, the Coral Seas Bottle Shop is conveniently located in Coral Sea Marina, and sells a wide variety of different alcoholic drinks. You can order your drinks online, and have them delivered to your vessel so they're ready for your arrival!

So what are you waiting for? All you need to do is round up your guests, get on the next flight to the Whitsundays and arrive at the Marina. We'll take over from there, so all you need to do is relax and enjoy your special birthday celebration.
