Sailing

Take pleasure in sailing around the world-famous Whitsunday Islands.

Between destinations, get involved in the sailing or relax and enjoy watching the world go by.

Get involved in raising the sails or take a turn at the helm.

Or get comfortable and watch the crew do the hard work while the wind transports you gently across the ocean.

Relax on board

Relax as you cruise between islands. Sunbath on deck, read a book, or chill out with your favourite music. Take the opportunity for a lazy snooze in the shade. Wake up in time for your next adventurous activity.

Swimming and snorkelling

Extra on board activities

All boats carry snorkelling gear and wetsuits. Many carry paddle boards, Solway Lass has the Tarzan rope swing. There are games on board and plenty of ball activities.

Great Barrier Reef

The Whitsundays location in the Great Barrier Reef Marine Park means that the islands are dotted with beautiful fringing coral reefs.

Some charters, if arranged prior, may even be able to visit the outer Great Barrier Reef and spend time snorkelling the World Heritage Listed Natural Wonder.
