

## Join the Club

Joining the Boat Club is easy. Should there be a need to cancel at any time the exit requirements are simple. All memberships are based on a one-year program. The membership will continue past the one year anniversary date unless the member provides a 30 day written cancellation notice.

Member authorizes Woody's Boat Club to collect the annual and/or monthly dues and any taxes using a credit card we have on file. Member acknowledges that unless a 30 written cancellation notice is given the annual dues and/or monthly fees will automatically be renewed using credit card on file.

Once membership has been cancelled and you wish to rejoin at a later date during the same year. You are still required to pay the annual dues. Example: If you cancel membership and few months later you want to rejoin you are still required to pay the Annual membership due of 1,995.00. The annual membership dues are non-refundable.

By selecting your plan you agree to pay Boat Club the Annual Membership Dues of 1,995.00 and monthly payments depending on the plan you selected. You authorize Woody's Boat Club to process the credit card on file.

If credit card is declined and payment is not authorized your reservations will be cancelled and/or will not be able to make reservations until payment is made. If this occurs more than once your membership is subject to cancellation. No refunds will be given.
