Hop On...Hop Off, a new touring option!

Here is some very useful information that will help you understand how the tour works and what to expect. As you'll see from the timetable there's no way to hop off at every destination in one day – so you'll need to be selective and plan ahead.

Planning

Planning is essential! Our timetable allows for a maximum of 4 x 1 hour stops of your choice (so if you have a long 2 hour lunch, you'll have 3 stops in total). So start working out with your group which ones you'll visit. To maximise your number of stops, you should visit venues in the same order as the timetable (ie go to down, not bottom-up).

Booking Lunch

We only stop at Emu Bay Lavender Farm where you can have lunch – bookings are essential. We encourage lunch, but if you are tasting food along the way, you may not need an actual lunch but happy with the amazing Lavender Scones. When booking be sure to tell them you're with Kangaroo Island Trails Hop On Hop Off Wine Tour, the exact time you're arriving, and how long you have. Re-iterate all of the above to your waitperson upon arrival. Get your order in asap, then go and do some browsing!

Be Flexible

The wineries won't let too many groups hop off at a time. So, if we need you to alter your timings slightly please be understanding.

Hopping on and off

If you lose this info-pack, everything's on the website: www.kangarooislandtrails.com.au and if you need us for any reason, call the bus phone on the number above the door.

Enjoy Yourself Responsibly

As we're not licensed and we abide by Responsible Service of Alcohol protocols, we need you to respect yourself and others at all times, stay fed and hydrated, and enjoy the day responsibly!

Trail Hopper's Golden Rules

Golden Rule #1 ALCOHOL SAFETY

Obviously our tours involve alcohol, and unfortunately a very small minority of passengers may have the wrong idea about what is appropriate behaviour on our winery tours!

So here are the facts:

- This is not a 'booze cruise' and our bus is not licensed - this is a leisurely day out among beautiful wine regions and we urge you to act respectfully in this regard.
- All passengers must read and sign our duty of care agreement prior to embarkation of their tour.
- You need to include food in your planning.

Golden Rule #2 BOOKINGS ARE NOW REQUIRED AT MOST VENUES FOR ALL GROUP SIZES

Covid-19 has changed how most wineries operate, which now means many of them have seating and capacity restrictions, so for most wineries, bookings are now essential for all visitors including Kangaroo Island Trail Hopper guests. You'll find the wineries details in the 'Fees' section.

Golden Rule #3 COVID 19 POLICIES ONBOARD TRAILHOPPER BUSES

During this time we ask our clients and staff to help in maintaining a clean, healthy and safe environment by following the below:

- Using the hand sanitizer provided on the bus
- Practicing social distancing
- You must sit in the same seat for the duration of the tour
- Staying at home if you feel unwell
- Not attending the tour if you have travelled from overseas in the last 14 days
- Not attending the tour if you have been in direct contact with a confirmed case of Coronavirus in the last 14 days
- Not attending the tour if you are living with someone in self isolation
- Checking in using the QR Code in the bus

Golden Rule #4 HOW TO READ YOUR TIMETABLE

Our timetables work beautifully, but they can be a bit tricky. Here's what you need to know:

- The first 2 stops are mandatory for all passengers.
- Our system allows for a maximum potential for 2-3 stops, of your choice plus the 2 mandatory stops. A total of 4-5 stops altogether.
- To maximise your number of stops, you must visit venues in the same order as the timetable
