

New Health and Safety Guidelines

1. We recommend bookings be made online, walk-ins are always welcome!
 2. Until further notice all guests will be asked to wear face coverings or face masks upon entering.
 3. Complimentary masks, gloves and hand sanitizing stations are available to all.
 4. Temperature Checks upon entry for all guests
 5. Daily health and temperature check for employees before and during their shifts.
 6. Schedule has been be modified to allow extra time for sanitizing in between use and bookings. This includes all commonly touched surfaces, controllers, and headsets,
 7. Every hour (or after each use) commonly touched surfaces will be sanitized, including seating, tables, door handles, and bathrooms
 8. All staff must wear face masks and gloves throughout their shifts.
 9. All guests will be asked to wash and sanitize their hands before and after their events.
 10. Gloves required for guests using tabletop and board games.
 11. We have reduced the booking capacity per station.
 12. VR face covering available to guests upon request
 13. EPA approved disinfectants and UV sterilizing equipment effective against all types of viruses and bacteria are used.
 14. Our stations are nicely spaced out for individual or small groups making social distancing possible at all times. Stations closer in proximity have a curtain divider for added safety.
 15. Self-serve VR gear placement by guests and contactless instructions from staff .
- ***We will continue to learn about the virus and make adjustments as necessary as your health and safety is **our top priority**.
