HAUNTED ROUNDHOUSE OFFERS UNIQUE AND SAFE HALLOWEEN

(Saint Paul, Minnesota) It has long been rumored that the Jackson Street Roundhouse is haunted. Could it be the ghosts of the hundreds of workers that kept the former Great Northern Railway operating? You might find out during **Haunted Roundhouse** at the Minnesota Transportation Museum on October 23 and 30.

Wear a costume, bring your trick or treat bag, fear the ghosts, and enjoy Halloween at one of Minnesota's most historic, iconic, and likely haunted locations. There will be haunted train cars, scavenger hunt with cool prizes, a railway hobo by the bonfire, hot dogs, train rides, lots of railroad history, and treats for the kids. **Farm fresh pumpkins will be available in our pumpkin patch for \$5.**

The Minnesota Transportation Museum is a nonprofit community organization that has been offering interpretations, education, historic restorations, and vintage railway experiences for the past 57 years. Those experiences include operations of the Osceola & St. Croix Valley Railway and the Museum at Jackson Street Roundhouse. The organization is almost entirely volunteer led and relies on ticket sales and charitable contributions to support its operations. Donations can be made through www.trainride.org.
