

Health and Safety

Due to Covid regulations, our groups are smaller and dining is done outside as much as possible, weather permitting. Despite the new regulations, Riverside Food Tours continues to offer the same top rated experience as before with friendly local guides, great story telling and delicious foods. Masks are required when entering restaurants, hand sanitizer is provided and a Covid waiver must be signed prior to the tour. Riverside Food Tours offers a full refund up to 48 hours prior to the start of a tour. For more information: Call [513-289-0035](tel:513-289-0035).
