- Staff Shield/Mask: Must be worn at all times while in contact with other guest or tour staff
- Must point out all signage for social distancing and other rules and regulations
- Clean air/regular ventilation need to be ensured for indoor places.

STRATEGIES

- Reinforcing hand hygiene which can decrease the risk of transmission of respiratory viruses by ~50%;
- Utilizing personal protective equipment (PPE) such as masks/shields and gloves;
- Installing physical barriers
- Encouraging physical distancing by posting signage to ensure proper separation in lines and common areas, discouraging congregating in crowded areas, reconfiguring public spaces, or limiting the number of employees and customers in various areas;
- Assigned seating in motor coached and utv.
- Thinking creatively to limit staff physical contact with customers where practical while still delivering superior service, for example, through online booking, online payments/ registration/waivers and other practices;
- Educating both employees and customers about their shared responsibility to help protect each other in a COVID-19 environment.
- All are subject to change and we will continuously update our strategies and rules and regulations as this is based upon this current situation
