CLINIC DATE: MAY 7, 8 & 9

PRICE: \$475 PER RIDER.

A rider in a white shirt and dark pants is riding a white horse in a dressage arena. The horse is in a collected movement, possibly a piaffe or passage. The background is a blurred outdoor setting with a fence and trees.

Let Ron help you improve your riding through the maneuvers of the "Basic Handle" using the Foreman McLoughlin system.

Topics covered include:

- Humane and effective training methods.
- Effective communication between horse and rider.
- Improve your horse's responsiveness and agility.
- Correct rider position.
- Lateral movements and control.
- Fundamentals of Classical and Western Dressage.
- Methods for correct leads.
- Your horse's footwork and way of going.
