Wow, just wow!

Review of: **Sherlock: The Official Live Game**

I don't want to give anything away as the experience really needs to be taken in by your good selves first hand. But boy is it worth it, so cleverly executed from start to finish, with lots to do, all minds that embark on this journey will be well exercised. A truly great experience that is hard to explain how good it is to others, all I urge is that you go and see for yourselves!
